Record Closed: March 29, 1985

Decided: *April 29, 1985*

**BEFORE RONALD I. PARKER, ALJ:**

This matter concerns charges of alleged professional misconduct and malpractice and/or negligence of the respondent, a board licensee, in violation of N.J.S.A. 45:1-21. Respondent entered a plea of not guilty, whereupon a hearing was requested and the matter was transmitted to the Office of Administrative Law on October 11, 1984 for determination as a contested case pursuant to N.J.S.A. 52:14F-1 et seq.

A prehearing conference was held on November 26, 1984, at the Office of Administrative Law, Newark, New Jersey, before Administrative Law Judge Robert P. Glickman. A prehearing order was issued on November 27, 1984, in which the parties were urged to explore settlement.

A hearing in this matter was scheduled for April 9 and 10, 1985. By letter dated March 18, 1984, the Deputy Attorney General informed the Office of Administrative Law that a settlement had been reached and requested that the hearing be cancelled.

On March 29, 1985, the fully executed consent order, attached hereto and incorporated herein, was received by the Office of Administrative Law.

I have reviewed the terms of settlement and I **FIND** that the parties have voluntarily agreed to the settlement as evidenced by their representatives' signatures. I further **FIND** that the settlement fully disposes of all issues in controversy and is consistent with the law.

I **CONCLUDE** that this matter is no longer a contested case before the Office of Administrative Law. It is **ORDERED** that the parties comply with the settlement terms and that these proceedings be and are hereby **CONCLUDED**. The agency having consented to the settlement terms, this order under N.J.A.C. 1:1-17,1(f) becomes the final decision in the case and shall be served by the Clerk of the Office of Administrative Law upon the parties.
